Install OpenSSH Server on Asus EEE PC

Posted by [Vivek Gite](#) <vivek@nixcraft.com>

Q. How do I install OpenSSH server on Asus EEE Laptop PC?

A. ASUS Eee PC is a portable computer. You can easily install OpenSSH server EEE pc. All you have to do is update software source and use apt-get command for installation.

[1]

Step # 1: Update /sources.list file

Login to your portable PC and open terminal

Become root user by typing any one of the following command:

```
$ sudo su -
```

OR

```
$ sudo bash
```

Open /etc/apt/sources.list file

```
# vi /etc/apt/sources.list
```

Append following line:

```
deb http://ftp.iitm.ac.in/debian etch main
```

Save and close the file. You can get complete list of [mirror here](#) [2].

Step # 2: Install OpenSSH Server

```
# apt-get update
# apt-get install openssh-server
```

Task: Start SSH Service

```
# /etc/init.d/ssh start
```

Task: STOP SSH Service

```
# /etc/init.d/ssh start
```

Task: Restart SSH Service

```
# /etc/init.d/ssh restart
```

Task: How do I use ssh service?

Use ssh command as follows:

```
$ ssh username@server-ip
```

```
$ ssh user@192.168.1.5
```
