Howto: View Firefox Installed Plugins (Addons) List

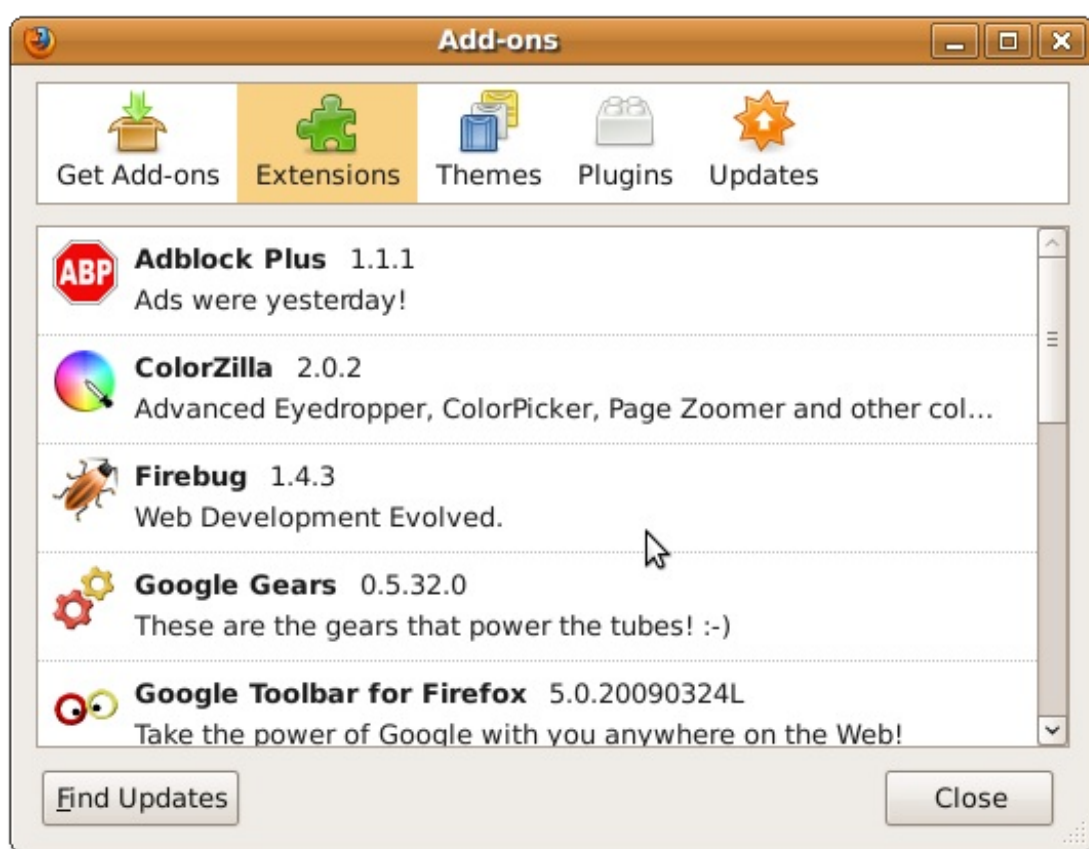

Posted by [Vivek Gite](#) <vivek@nixcraft.com>

How do I view Mozilla Firefox installed plugins add-ons list under Windows / Linux and Mac OS X operating systems?

You can easily view all installed plugins simply clicking on the Tools menu > Addons > Extension tab:

[1]

[2]

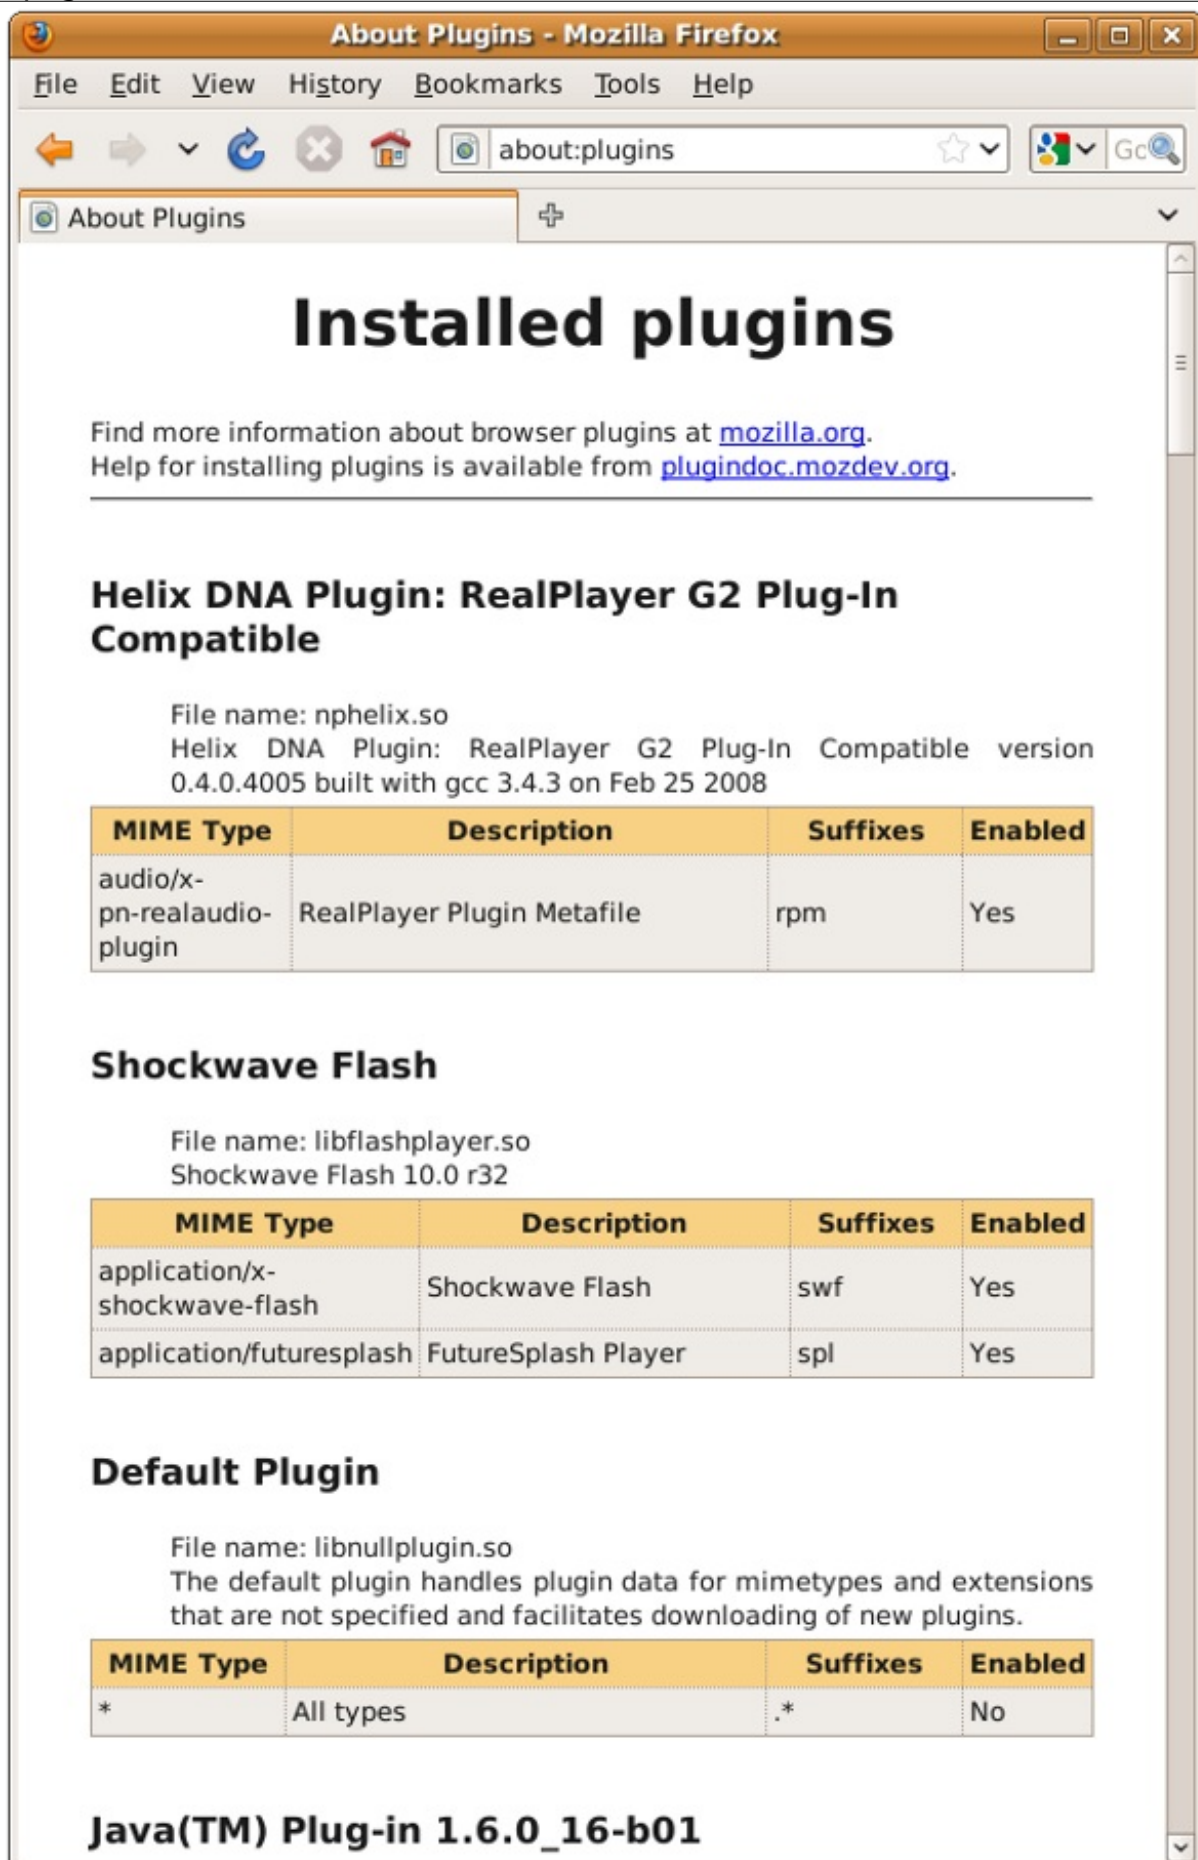

Fig.01: Firefox Add-ons

about:plugins shortcut

Type the following command into the address bar (URL bar) and press [Enter] key:

```
about:plugins
```

You will get the list of all installed plugins as follows
